Global Networking – Second Event –

28th October, 2020, 4:00pm-
6:00pm (JST)

FinCity.Tokyo, the promotional organization of Tokyo financial industry, is conducting a series of Global Networking events this year. The goal is to connect foreign companies to the local ecosystems in Japan and provide access to necessary information and infrastructure.

This second seminar will consist of two parts. Part 1 will provide details on public support programs available in Japan to foreign companies, and Part 2 will introduce the local ecosystem and recent trends of Japan's financial industry.

[Target Audience]

- **Fintech** or **Asset management** companies, headquartered overseas
- All companies welcome (regardless of business presence in Japan)

This event is organized by FinCity.Tokyo
